Who would have
known that
he was
actually a drug
smuggler?

They must think
I'm involved
in all this...

To get a ride
to the island—
Zanzibar—
I became a crew
member of
a yacht owned by a
French merchant,
Jack Arnold

Is this a
courthouse?
Or is it a
governmen-
tal
building?

Either
way, I have
to prove
my
innocence

Because
I need to
get to
Stone Town
as soon as
possible!

You can
look for
yourself!

I don't have
anything
suspicious
in that bag.

He said there was
a beautiful strawberry
blonde on his yacht
that I could have for my food.

We caught Jack
Arnold smuggling
drugs.

And he offered a
deal to spare his
life.

So you're not
French?

I'm an
Australian.
My name is
Emily Ross.

Sadly, I'm
not interested in
your nationality.

English...

French

No...
So he does
think I'm
one of
Jack Arnold's
accomplices?

My passport is in
my bag, if you
want to check...

That's
a false
accusation.

There was a
costume inside
the bag
you left in
the yacht.

Not only were you
selling drugs but
it seems like you
were selling your
body, as well.

Jack
deceived me.

It's hard to think
differently
when you're
thrusting in
their outfit.

The
costumes
don't
belong to
me.

The belly dancer
Jack picked up at
the harbor on the
way left is behind.

No matter how
beautiful, I don't
care for other
people's
belongings.

You
must be
joking!

I assume belly
dancers need a lot
of purses.

I'm talking
about you.

Belly dancer?

You...

I know.

I've had
enough
of your
accusations...

Not
helping to
transport
drugs?

Who
exactly are
you?
What right do
you have to hold
me here?

I'm telling
you, you've
got this all
wrong!

Alp
? ?

What right do
I have—?

Who are I?

I need to go to
Socote Town to see
my sister...

He hired me as a
crew member to
help navigate the
ship...

I happened to meet
Jack, who was sailing
to Madagascar, and
he offered
to take me
to Zanahar.

...I look like
this because
it was easier
to run away.

は
？
I'm not
dressed like
this because
I want to be

In any case,
I'm not
Jack's
sister-in-law.

I found out
he was
deceiving
me so I ran away
from the ship.

We won't resolve anything at this rate.

Stealth
So this is...

We shall call it a night.

I'll swear
you to
a guest for
now.

Until I can
change you—

Your
Excellency,
her passport.

!!

I'm
Stealth Zagros Bin
Sultan Al Faras

I own one of the harbors
that almost had drugs
smuggled into it.

She needs to learn to obey me.

Don't you think so, Akashi?

In the meantime, we need her to understand her situation.

I see.

Your Excellency?

That woman trespassed on my land and was captured for it.

but she had the nerve to defy me.

A diving instructor certificate and references from previous employers.

Absolutely anything else?

Easily. Yes.

Four Curses in Australia.

Yes. It seems like she might mention how to dive on the Great Barrier Reef.

As it's the weekend, we can't verify this right now, but we can get confirmation from her government office within a few days...

Diving instructor?

I'm his
prisoner!

I'm not Sheikh Zayed
Bin Sultan Al-Fahad's
world at all!

Threat
you
as a
guest for
open?

How did all this
happen ?

Extravagant
food
prepared

A room filled
with luxury

On the other
side of the
door are
guards.

But...

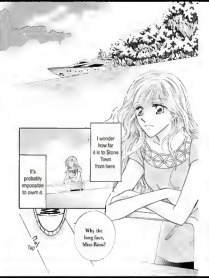

Is any
cruise
not to
your taste?

I can't enjoy
a cruise
when I don't know
where I'm being
taken to.

==
You looked in
my bag?

If you're
a diving
pro, surely you
would like to go
there.

The island—
Ponake—
where we're heading
is right now
one of
the top-ten
diving spots
in the world.

I wonder
how far
it is to Stone
Town
from here.

It's
probably
impossible
to swim it.

Why the
long face,
Miss Rana?

Top 10

! You're married?

How likely is it that she's made a reservation under the name Ross?

Ross is my husband's name.

Name.

Yes, but my husband passed away 2 years ago.

—I see.

!

I'm sorry to bring it up.

Yeah, it's one of the best hotels in the area.

You've heard of it before?

I'll assure you of that.

Mainly because I own it.

It's Hannah Coleman.

Not Ross?

She's married.

What's your sister's name?

—Really? Well that's fortunate. Can you check to see if my sister has arrived?

—Fuu,
Zagon.

Zagon

It's
somewhat
difficult to say
Miss Fuu
all the time.

I'll call you
Emily, too.

Angels are
born, but not
forever.

I wonder how
many angels
have called out
his name
when they're
in bed with him.

I thought
he was
only
an arrogant
man...

You don't
have to
apologize.

Miss
Fuu?

What
about you,
Emily?
Are you
married?

Call me
Zagon.

He's being
considerate
to a prisoner
like me?

Sansho

Handwritten scribbles and marks.

Yes.

You're going to
Sinner Town to
meet with your
sister and
niece?

You must be
aware of the
political
instability there,
right?

Zinhalawa

You've
quite the
heart out.
Singer

Not Jack,
not the police
and not even a
sheriff...

I have to
go and I
won't let anyone
get in my way.

My sister's
husband is
fighting hard
not to let
his farm
go but...

He decided to send
his wife and
two daughters
to Sinner Town.
via. Brownson.

Why did you suddenly decide to go to Stone Town?

Do you believe me now?

—If so, you wouldn't have been able to say such horrible things.

Let's cancel the diving and head to Stone Town, as you wish.

L.J.

However, I'll be accompanying you.

You should wait for your sister at the Solomon Sea Inn.

Eager

Fine...

...I don't dislike courtesan women.

I bet they do very passionate dances in bed, too.

Blush!

Please,
let us
show you
to your
room.

We've been
expecting
you. Your
Excellency.

Zango

And someone
like me is
accompanying
him

I'm not
surprised
Such a dignified,
charming
sheikh has
suddenly
appeared

Everyone's
looking
at Zango...

I guess I'm still
only a prisoner to
him

We've
arrived.

Welcome to the
Schwarzschild Inn.

Zago!

I wanted
you to
appreciate
our
time
together...

...and
consider
marrying me.

You love my
wealth and
status,
not who I am.

I'll never
marry a
woman
who thinks
like that.

That's
impos-
sible.

I had no idea...
That technique
used to
be Zago's
love...

But I just
wanted
you to
realize how
lonely you
would be
without me.

You're just angry that I
declined your offer to
travel to all the hotel
resortplaces in Africa with
you.

Why would he
break up with
someone so
beautiful ?

You've got
this all
wrong, Zago.

Emily

*All our possessions
have been
confiscated and we're being
detained in our house.*

*I'm sorry,
but it's unlikely I'll
make it to Zanribar.*

*I wanted to
at least free my
daughters from
this situation
but I couldn't even do that.*

*I may not be able to
e-mail you again,
either.*

*But don't try to
come find me here.
I don't want you
to be in danger,
too. Do you understand?*

*From your sister,
who loves you dearly,
Hannah*

Do you
believe my
story now?

—That depends
on the content
of the e-mail.
What does it
say?

Hold on
a second.
I'll open
it now.

That e-mail
confirms her
story

Emily was
telling the
truth

—Ho.

I didn't want
to let her go

I already
knew that.

From the
moment I
looked into
her stare,
deep eyes

She...
and...

She's been
acting
courageous
since I
captured
her.

but I guess
she finally
reached her
limit

It should all go well.

You're awoken.

Good.

How are you feeling?

...D?

You fainted while you were out with the shock.

I can use the land to trade with the safe release of the family.

See if there're any negotiable members in the government.

There should be enough people who would jump at the chance to possess fertile land.

As you wish, Your Excellency.

Then can you please arrange the purchase of the Coleman family farm, Abuelo.

He may be fighting to save his land, but for a suitable price, I'm sure he would give it up to start a new life elsewhere.

Fine.
I'll rescue your sister
and her family.

But until then,
you belong to me.

By pushing the
responsibilities
onto other
people's
shoulders...

Be swept
away in a
sea of
passion
and love.

—Yes.
This is only
a deal.

I'm sure I'll
have enough
fun with you.

Y
—Yes.
This is only
a deal.

Don't think
about anything.
Just let me
enter your body.

...As you wish.

You've paid a
high price for that.

I promise.

To check the
development
and safety.

...Is there a
reason
why we are
going
around towns
and safari parks?

He's not a

has no
regard
for his
people.

He's an
admirable
entrepre-
neur.

aren't
there just
for people
to stay
in.

It's a place
to tend to
customers'
needs and
to ensure safe
vacations.

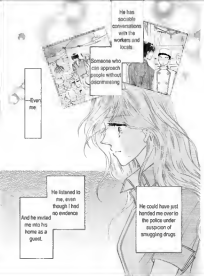

Nanga

But now

I've nearly
become
his
prisoner

He has
sociable
conversations
with the
workers and
locals.

Someone who
can approach
people without
discriminating

Given
me

He listened to
me, even
though I had
no evidence

And he invited
me into his
home as a
guest.

He could have just
handed me over to
the police under
suspicion of
smuggling drugs.

Our visit to Zambha is as scheduled. We're inspecting the hotels around the Zambhal River.

No.

That's Zambha's neighboring country. Has there been some progress in the situation?

...You are going to help my sister, right?

Of course. I plan to.

Really?

Really?

Zambha?

Wake up and get your things ready.

Agree?

We're heading to Zambha today.

His kiss,

I love him

I don't blame him. I

All we can do is wait.

What?

It's an act of madness.

What are you talking about...?

Going straight to the farm without approval from a government official.

Even if it is to persuade Mr. Coleman.

That

Oh

About?

Zagoo's assistant

You've finally woken, Miss Rose.

For that he
would put

To keep his
promise

"I'll save them...

what."

my fault...

him for help...

Miss

He's taken
your passport to
Zimbabue to get
Mr. Coleman so

But Mr. Coleman
didn't trust his offer
and refused to hand
over the land.

His GoodBroxy
planned to
buy the farm from Mr.
Coleman and use it to
free
him and his family.

You don't
know?

He tried to save
my sister without
expecting a reward
from me.

No.

But I did
something
terrible to him.

I used my body as a
tool. Scarring his
dignity and his pride.

I suggested a deal
before, he could tell
me.

As soon as you collapsed,
he ordered me to find a way
to get the Coleman family
out of the country.

That's not true.

His Excellency
chose this on his
own accord.

Did His
Excellency not
tell you about
this at dinner
that night?

But... But I'm the kind of woman who uses her body as leverage in a wage.
